GOLF

Designed for Adventure - Built with Style

GRAND **TOURER** Range

Golf caravans have helped create thousands of Australian families dream holidays for over 40 years. When envisioning the Grand Tourer range the design team took into account the need for off-grid living in comfort and style as they strive to create a caravan with flexible floorplans and abundance of features to help you make the most of your van. Thus the creation of the Golf Grand Tourer range, released early 2023.

The Golf Grand tourer offers a impressive amount of standard features within 7 thoughtfully designed layouts to enhance your holiday lifestyle. The Golf range has expanded and evolved over years of manufacturing and refining of the range. All golf Grand tourers are Australian designed and built in Pakenham Victoria and offer a 2 year manufacturing warranty.
